

August 1, 2016

Good Morning Architecture 1!

What are we learning today?

- What are the classroom expectations and procedures for Architecture 1 and Architecture 2?

What are we doing today?

- Review the syllabus, classroom expectations and procedures
- Ice breaker activity – draw a scribble and build it! Present to the class.

How will I show I learned it?

- Be able to describe classroom expectations and procedures. Begin to use a design process and be comfortable sketching, model making, using tools and presenting your work to the class.
